

Welcome to Season 2015/16

Is it just me or does time seem to fly by!

We have had a busy year of last commencing and completing some great projects. At the start of last season all Clubs received an OHS grant from RWWA. We have spent a little over 60% of this money and tick 10 items off our Plant, Equipment, and infrastructure redevelopment wish list! This has improved racing surfaces, OHS standards, efficiency and halved some of the laborious task our Volunteers do.

With the start of our next season only days away we have been busy planning the season ahead. We are looking forward to having 3 Saturday Trots & 3 Friday Races this year with the usual greats of Christmas Trots & Races, Australia and the 2 feature Cup meets. Again we will be theming meal nights as these have been working well and keeping us busy.

WE WANT YOU!!

We are introducing a list of odd jobs that we would love help with. If you are an enthusiastic soul with time to share we would appreciate your help. Please see either the Manager or a Committee member and let us know where your skills could be utilised!!

Feedback is always welcomed and if you have any ideas please look out for the Suggestions box to provide us with your thoughts.

Looking forward to seeing you all with an exciting season ahead!!

Moments from the 14/15 season;

Country Cups Ambassador Alana McLean attended Cup day

Narrogin Retravision Pacing Cup winner Lovers Delight

XXXX Gold Cup winner DaBang

Radio West Driver of the Year Nathan Turvey

Australia Day Pie eating competition – was a great day!!
